

INTRODUCING

LAZZUP

**One Love, One Aim, One Blood,
One Destiny is the message
from lead vocalist Jaipahman
from Belgian-Dutch full-sized
reggaeband EaZZup.**

**Jaipahman was born in
Suriname. At a young age
he moved with his family
to The Netherlands.
Through his older brother
he discovered reggae and
was gripped by the music
of Bob Marley.**

Jaipahman has a rootsy voice and as a composer he writes catchy songs with influences out of all of the styles reggae knows. In his songs he uses themes like Unity, Love and Rebellion. Supported by a tight knit band and three backing vocalists, EaZZuP will take you “on a reggae trip around the world”. In 2022, the first single “Burn it” was released.

EaZZuP is the winner of the “Irie Vibes roots reggae contest” in Belguim 2022. This earned the band great reviews. EaZZuP has performed at the following festivals: Rastaplas, Irie Vibes and Zwarte Cross. The mix of Roots, Rock, Ragga and Dancehall makes every preformance by EaZZuP a groovy experience.
